

carol bench

carol bench

800mm

2200 mm

Name

Carol Bench.

Design by

One Foot Taller.

Product background

Set of three benches designed in 2004, for use as seating and table surfaces. The different pieces are loose, and can be arranged as a single arc, as a bending line, or separated to face each other. These are strong and protected enough for outdoor use as garden furniture, and also delicate enough for indoor use in reception and retail spaces.

Dimensions

Overall length 2200mm, depth 600mm; heights 350mm, 450mm and 550mm.

Weight

Approx 20kg.

Materials

Scottish Oak.

Care

Brush on Le Tonkinois marine oil (linseed oil and tung oil) approximately every 10 years.

Parts Supplied

Set of three benches (also available separately, -made to order).
